Over 50's Getaway

Licola Wilderness Village is the Trading name for Lions Village Licola Inc. Wholly owned and operated by the Lions Clubs of Victoria

A little bit of history...

The Land on which Lions Village Licola now sits was once a working sawmill and thriving community. Over time, it was abandoned and left derelict. In 1969 it was purchased on behalf of the Lions Clubs in Victoria. Over the following 5 years, magnificent displays of generosity in terms of both labor and means transformed Licola into the beautiful Village we have today.

In 1974 the first Lions Sponsored Camp of 40 children was held at the site. Since then it is estimated that forty-five thousand disadvantaged, special needs and elderly people have attended Lions Sponsored Camps at Licola. All but a handful of these camps have been staffed by volunteers.

Lions Village Licola aims to provide challenging and enjoyable experiences. We believe that individuals respond well to an environment suited to their needs. Our leaders are well trained, enthusiastic and imaginative and provide a safe and supervised environment based on the principles of respect, responsibility, caring and honesty.

We are committed to enhancing the quality of life for disadvantaged children, senior citizens and people with special needs.
